

Virtual Santa

Description:

Add the holiday feeling to your iPhone with Virtual Santa.

Always wanted Santa to visit you earlier than on Christmas Eve or Day? The virtual Santa visits you, your family and friends at home, work, everywhere you want. All you need to do is follow these few steps:

- 1) Go to www.metaio.com/iPhone to print out the Santa Symbol
- 2) Take a picture with the Santa app, that includes the Santa Symbol. A Santa will then automatically appear in your own picture.
- 3) Take a screenshot of you, friends or your pet with virtual Santa and email your most original Christmas picture ever to friends & family.

Limited time introduction special, we wish you a lot of fun and of course...

Merry Christmas!

Features:
